

# Good Morning

**THE GRILL**  
AT THE MANDOLAY

“Breakfast is everything. The beginning,  
the first thing. It is the mouthful that is  
the commitment to a new day.”

AA GILL

Welcome to breakfast at Mandolay, We hope that you  
enjoy a relaxed, and nourishing start to your day and  
that whatever your taste, you find something to excite  
your palate and warm your heart.

Service is, as it should be at breakfast, a relaxed affair.  
We want you to take your time to enjoy our range of  
cooked items, continental meats, fresh fruits, homemade  
jams, and freshly brewed coffee or fine tea.

Please take a seat, make your selections, and relax  
while we prepare and serve products that have  
wherever possible, been sourced locally and chosen  
for their quality.

Thank you for allowing the breakfast team at Mandolay  
to get your day started in the best possible way.

## That's my Jam!

It's often the little things that take a dish from excellent to extraordinary, even with the simplest ingredients. That's why we create our own jams, marmalade and preserves, perfect for breakfast or afternoon tea.

Using seasonal fruits and our own recipes, we produce in small batches to ensure a variety that's always fresh. Enjoy classic favourites like Strawberry and Raspberry or savour our Lemon and Lime Marmalade.
