Say “I do”

Whether you choose to celebrate your vows in church, the registry office, a location special to you both, or here at Mandolay, we wish you the happiest, healthiest union imaginable.

Should you allow us the privilege of hosting your ceremony here at Mandolay we will work with you to make sure that there is not a single missed step.

Our wedding spaces are licensed for ceremonies of up to 500 guests and we offer indoor or outdoor choices.

As with everything, it is your day to enjoy, celebrate and share.

The Gazebo Lawn

Unique in Guildford and offering the final word in ‘blank canvas’ potential, our Gazebo is set amidst manicured lawns and gently shaded by mature trees.

The area is a natural suntrap, providing the quintessential English wedding setting, so close to the heart of town.

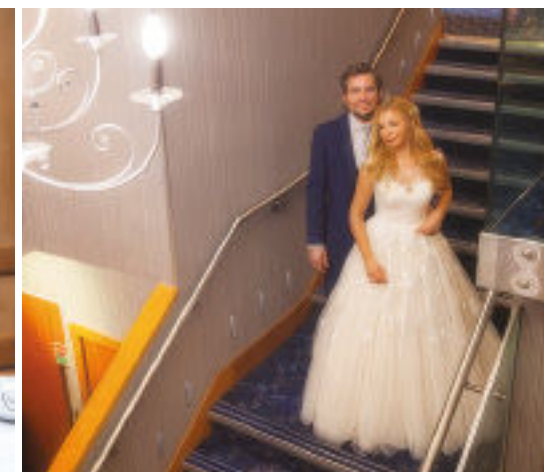

Bubbles and Bites

Bubbles and Bites is our celebration of the partnership between formal and informal; chilled Prosecco paired with a selection of chef's hand made canapés... your very own garden party.

A Photograph for all the Ages

The 11th Century Guildford Castle is a wonderfully picturesque part of 'Secret Guildford', with gardens offering a secluded and stunningly colourful backdrop for those very special photographs. Just five minutes from the hotel, you might wish to 'divert' the Wedding party for a few moments whilst guests enjoy a welcoming drink at Mandolay and await your arrival in style.

Time to Celebrate

The Mandolay Suite is pillar free and capable of hosting a wedding breakfast for 300 and an evening reception for 500 guests. Quite simply, there is no similar venue in Surrey. Designed with sensational in mind, this suite delivers a completely self-contained venue for the ultimate celebration; grand in scale yet retaining an atmosphere that has to be experienced to be fully appreciated.

Your guests will experience the wow of a dramatic entrance to the suite, beneath the stunning chandelier and on through the oak and glass double doors, the scale of the room never fails to impress even when empty, but when sumptuously decorated to your personal request... Just stand back and listen to the gasps of delight.

Because the Night is Made for Dancing

The evening reception. A time to relax and for your guests to let their hair down and dance like nobody is watching.

As ever, it is your night and our resident DJ will play your selections from first dance to dance floor fillers; the music that is important to you, perhaps played to evoke memories of special times together or to remember absent friends.

Keep the evening flowing with an elaborate buffet or enjoy toasted rolls at midnight and perhaps even a little nightcap for those who wish.

And so, to Bed...

Included in our Signature wedding package, our Signature Suite will have been yours since the day before the celebration, the ideal sanctuary for all those last-minute details and arrangements, then preparing yourselves for the big day ahead with a full English breakfast.

On the day itself, you'll have awoken fresh from a great night's sleep under Egyptian cotton sheets, perhaps making use of the corner bath to luxuriate, gently swathed in complimentary Molton Brown bubbles.

Preferential
Room Rates

Your guests will be offered a range of room types at preferential rates and you can be assured that they will be attended to in a style that is second to none.

Bar 36 and The Grill

Serving a range of fine teas and Nespresso coffees and complemented by a full menu featuring light snacks, nibbles and hearty lunch options, all served at the bar or on our heated terrace.

At once comfortable and elegant, Bar 36 at Mandolay offers an array of choices for even the most discerning guests and patrons.

Speciality Gin, Vodka and Cocktail menus indicate a real point of difference to standard hotel bars; indeed, our entire offering proudly sets us apart from anything else in the area.

Our principle of 'Drink Less, Drink Better' favours premium brands and perfect presentation over a more inclusive standard as is indicated by our choice of Stolichnina Vodka and Star of Beefeater Gin as our house pours.

Fever Tree mixers provide the perfect accompaniment, and all our long drinks are presented to your preference.

By day a range of fine teas and Nespresso coffees are complemented by a full menu featuring light snacks, nibbles and hearty lunch options, all served at the bar or on our heated terrace.
